Additional fees may be incurred if, for example, your loan becomes delinquent or is subject to litigation (for example, a foreclosure proceeding). Such fees may include, but are not limited to, court costs and attorney's fees. These fees may vary depending on the nature and complexity of the work performed and therefore are not disclosed on this fee schedule. Attorney fees charged in connection with a foreclosure action shall be for work actually performed and not exceed reasonable and customary fees for such work.
