Commercial Term Loans

Finance the next step for your business.

If your business needs to fund equipment purchases or acquisitions, or consolidate debt without impacting cash flow, Dime can help. We provide term loans that best meet your business' unique needs. Commercial term loans require collateral in the form of property or equipment. They enable your business to finance one-time expenses with flexible payment terms.

Commercial term loans are perfect for: _____

- Large one-time expenses
- Emergency repairs
- Debt consolidation
- Facility remodels
- Acquiring assets
- Business expansion
