Express Loans

A fast solution to help grow your business

If you're the owner of a small business, you likely don't have the time to spend on an extensive loan application process. Fortunately, Dime offers a new way for businesses to get the money they need in the fastest way possible.

Dime has partnered with Numerated to bring our customers an advanced digital loan origination platform designed for business banking. Our Small Business Express Loans¹ are available to qualified new customers² from \$10,000 to \$50,000 and qualified existing customers³ from \$10,000 to \$100,000.

Am I eligible for an Express Loan?

- **Available to both new and existing Dime customers**
- **Active status with the Department of State**
- **Must be a domestic company or sole proprietorship**
General partnerships and not-for-profit organizations are ineligible at this time.
- **Must be a New York registered business**
- **Minimum of 1 year in business**
- **Must be a Closely Held Corporation**
Business cannot be owned by a trust or business and 80% or more ownership is needed to apply.

¹ Subject to Dime approval.

² A new customer is defined as any business with an account relationship of less than 6 months.

³ An existing customer is defined as any business with an account relationship of 6 months or more.
